Dear users, welcome to Vow Club

These steps will help you use the app more easily

Step 1 - Registration

In the navigation bar, click "Log in".

Enter your credentials and sign in.

If you don't have an account, you can create one by clicking "Register".

After filling out the form and accepting the terms of use, click "Register" to create your account. You will need to confirm registration via a link sent to your email.

Step 2 - Browsing offers

On the home page, you will find a list of available service providers.

You can filter providers by date and/or county (location).

In the sidebar, you can also select a specific service type to show only providers from that category (you can still filter by date and/or location).

Step 3 - Choosing a provider

Clicking "DETAILS" opens a popup with the provider's gallery and details.

If you like the offer, click "SELECT" to add it to "My selection".

If the provider is already selected, a "REMOVE SELECTION" button will appear to remove it from "My plan".

Step 4 - My plan

"My plan" is a list of all providers you selected, where you can track the status of your agreement with each provider.

If you haven't agreed on anything yet or you are negotiating, choose the "IN PROGRESS" status (selected by default).

If you have agreed everything with the provider, you can mark it as "AGREED".

If you decided not to proceed with a provider, click the trash icon to remove it from the list.

Next to each provider, you also have a details button to view their offer, gallery, description, etc.
